ENHANCE YOUR ASCENSION PROCESS

Anoint the chakras with essential oils. Each oil is in vibratory alignment with it's chakra. Available in a set of eight for \$111 or individually for \$15. Dr. Long uses only the highest quality essential oils. In choosing the perfect essential oils for the individual chakras, Dr. Long requested that Spirit guide her in meditation. The channeled messages were quick, dear and thorough. She was given 8 individual essential oils that are in vibratory alignment with each of the 7 chakras of the human body and the 8th Chakra above the crown of the head, known as the Christ Consciousness Center or Soul Activation Center. She was guided to use the specific oil, not an oil blend for the anointing therapy of the individual chakras. She learned that in order to clear, balance and energize the chakras, a specific oil was needed because, in the blending process, the effectiveness of the oils is distorted ever so slightly. This, of course, can change the effectiveness of the vibrational healing needed.

Wonderful gift ideas for yourself or someone you love.
